Dear Colleague

ECO Notice to Exporters-2010/01

The Export Control Organisation has issued the above Notice to Exporters making a number of amendments to Open General Licences (OGELs), which come into force on Friday 15th January 2010.

The changes concern the removal of Sri Lanka as a permitted destination and addition to the list of excluded destinations on a number of OGELs and the Open General Trade Control Licence (Category C) goods.

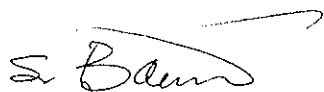

The respective OGEL pages on both the BERR website and the OGEL Checker websites will be updated on 15th January 2010.

The Notice is also published on the BERR website in the Latest News area. See: <http://www.berr.gov.uk/whatwedo/europeandtrade/strategic-export-control/latest-news/index.html>.

You may wish to bring this to the attention of exporters in your area.

Thank you.

Yours sincerely

Steve Baker
Manager, International Trade Certification
