

Captain Jimmy Chestnutt, Director General of the Southampton and Fareham Chamber of Commerce said that:

"The Chamber of Commerce is delighted to learn that the re-opening to passenger traffic of the existing freight rail link to the Waterside is once again being looked into by the County Council.

This vital rail link, if re-opened for passengers, would create a fast and safe link to Southampton and the surrounding area, whilst providing an opportunity to remove significant amounts of car traffic off the A326 Marchwood By-Pass."
